

Self-disclosure concerning RoHS (Ban of dangerous substances in electrical and electronic equipment)

FATH GmbH Components, Gewerbepark Hügelmühle 31, 91174 Spalt, Germany

We are in close contact with our pre-suppliers in order to gather information on dangerous substances with regard to the RoHS directive.

To our current knowledge from the information at hand we assume that our standard products are brought into circulation according to the current version of the RoHS directive (EU directive 2002/95/EC, 2011/65/EU "RoHS 2", 2015-863-EU) and the further applicable requirements.

This also covers the four phthalates DEHP, BBP, DBP and DIBP (2015-863-EU).

For products that are not conform to RoHS, the information is being stated in the order confirmation.
